

Where to Go to Get a Job

Imagine walking into a room filled with opportunity! That's exactly what you will find at the 2017 Disability & Rehabilitation Employment Awareness Month (D.R.E.A.M.) Job Fair!

More than 50 local employers will be on hand to visit with you about your job skills and ambitions. They are ready to hire qualified people with disabilities!

Southern Arizona Family Services had an employer table at the 2016 D.R.E.A.M. Job Fair in Tucson. They interviewed and hired five individuals that same day in the areas of housecleaning, companion care and direct care workers. They liked the fact that the job seekers were well prepared with many of them having their finger print cards, CPR certification and first aid certification. The company said it was the best Job Fair that they have attended and all the job seekers showed up for training.

DREAM Job Fairs are free and have helped hundreds of people with disabilities land jobs they love with employers who love them, so show up and show 'em your stuff!
